CLEAN HOME CHALLENGE

Cleaning Product Label Record

One product. Original container. Directions you can find again.

Read the actual label before every use. This record does not replace it.

Keep containers closed while checking. Stop for leaks, damage, or unclear instructions.

Product name, package type, and manufacturer contact

Intended task / surface and care instructions checked

Exact hazard wording (include fire, pressure, and other warnings)

Use conditions: ventilation, ignition restrictions, protective equipment

Storage directions: location limits, temperature, sunlight, separation, security

Used cloth / container cleanup and local disposal instructions

Question to resolve BEFORE use / person or service to contact

Checked on: _____ Next review: _____

If the task or storage conditions cannot be met, do not use the product there.
