

Furniture Parts Inventory

One furniture item, one confirmed kit. Print extra copies as needed.

Furniture name / room:

Brand / model or article number:

Manual location / manufacturer support:

Kit storage location / box code:

Confirmed contents

Part / identifier

Qty

Tool / note

Unknown parts / next action:

Checked on: _____ Review / next action date: _____

- ☐ Match parts to the exact manual; do not guess compatibility.
- ☐ Keep loose hardware, bags and sharp tools away from children and pets.
- ☐ Required anchors are installation items, not optional spare parts.
- ☐ If assembly or safety is uncertain, check with the manufacturer before use.

Start small: identify one kit, label it, and store it securely.

Furniture Parts Labels

Cut along the borders. Add an inside copy if a label may detach.
