

12-Month Home Cleaning Calendar

One monthly focus. Start whenever you need to.

Move these suggested projects to fit your home. This sheet plans larger jobs; everyday mess, weekly cleaning and due maintenance still need attention.

JANUARY

Supplies & planning

Gather the tools for one job.

Date: _____ Owner: _____

FEBRUARY

Living room edges

Vacuum one cushion or side table.

Date: _____ Owner: _____

MARCH

Accessible windows

Start with one inside sill and track.

Date: _____ Owner: _____

APRIL

Bathroom details

Clear and wipe one storage shelf.

Date: _____ Owner: _____

MAY

Refrigerator shelves

Choose one shelf; keep food cold.

Date: _____ Owner: _____

JUNE

Entrance & drop zone

Clear the space just inside the door.

Date: _____ Owner: _____

JULY

Laundry room review

Check one task in the appliance manual.

Date: _____ Owner: _____

AUGUST

Pantry shelves

Empty and wipe one shelf.

Date: _____ Owner: _____

SEPTEMBER

Linens & bedding

Sort one stack; follow care labels.

Date: _____ Owner: _____

OCTOBER

Kitchen detail zone

Choose one cabinet or backsplash area.

Date: _____ Owner: _____

NOVEMBER

Spaces guests use

Reset a bathroom or sleeping area.

Date: _____ Owner: _____

DECEMBER

Review & breathing room

Keep what worked; move an unfinished job.

Date: _____ Owner: _____

Keep spills and food mess prompt. Follow product labels, surface care instructions and appliance manuals. Never mix cleaning products. Safety checks and dryer lint care are ongoing, not yearly tasks.

12-Month Home Cleaning Calendar

Reusable monthly worksheet

Month / year: _____ Owner: _____

ONE USEFUL FOCUS

Choose one area or project. Swap the suggested job if something else matters more.

What counts as finished?

THREE SMALL STEPS

☐ 1. _____

☐ 2. _____

☐ 3. _____

Session date: _____ Time I can spare: _____

Supplies / care instructions to check:

NEXT STEP IF I STOP HERE

Leave the area safe, finish required rinsing or drying, and put supplies away.

Move it, shrink it or share it:

Daily and weekly routines continue separately. Follow due appliance and safety reminders at their actual intervals. A missed box is a plan to adjust, not a reason to start over.
