Care-label photo saved at:

Approved cleaner and dose instructions:

Wash method / temperature / cycle:

Drying method / heat restrictions:

Approved finish treatment / activation instructions:

Before the wash

- ☐ Read label; check damage; plan drying space.
- ☐ Empty pockets; prepare fasteners as instructed.
- ☐ Choose compatible cleaner; check dispenser residue.
- ☐ Measure dose; use the permitted cycle and rinse.
- ☐ Dry fully; check finish before deciding about reproofing.
