Faux-Leather Panel Garment Care Note

One garment. Its exact instructions. A calmer next wash day.

Garment / brand / style number:

Care-label wording - washing and product restrictions:

Drying / ironing / professional-cleaning instructions:

Before any cleaning

- [ ] Read the whole garment label, including trim and lining directions.
- [ ] Check panels for peeling, stickiness, cracks, or lifting edges. Stop if found.
- [ ] Missing or conflicting directions? Ask the maker before washing.

Hidden test - location, permitted method, and dry result:

Chosen label-permitted method / detergent / temperature:

Drying setup and date cleaned:

Finish and remember

- [ ] Use only the permitted method. No improvised soak or stronger mixture.
- [ ] Keep away from direct heat. Do not assume tumble drying is safe.
- [ ] Inspect the dry panels; check seams and lining are dry before storage.

Question for the maker / what to repeat next time:

This note records your garment instructions; it does not replace its care label.
