MISSING CARE LABEL

Garment Care Record

One sheet per garment. Record confirmed advice; leave unknowns blank.

1. Identify the garment

Item / color:

Brand / style number:

Lining, trim, repairs, or other details:

☐ Photo saved ☐ Receipt or listing found ☐ Exact style matched

2. Record the source of care advice

Brand or cleaner / contact / date:

Where the written instructions are saved:

☐ Waiting for advice - do not add to a normal load

☐ Method confirmed for this garment - details below

3. Keep washing AND drying instructions together

Wash method / cycle / temperature:

Detergent / dose guidance / spin or soaking limits:

Drying method / support / heat restrictions:

Bleach, stain treatment, ironing, steam, or other warnings:

4. Note the next action or an authorized wash result

Date / actual settings and products / result or next action:

Cold water, hand washing, and a mesh bag do not establish washability.
If instructions remain uncertain, ask the brand or a garment-care professional.
