Popsicle-Stain Care Card

For water-washable clothing. Keep with your laundry reminders.

Garment / color:

Care limits (temperature, bleach, print / trim, soaking):

FOLLOW THE ORDER

- [ ] Check the garment label. Test the chosen product on a hidden area.
- [ ] Lift loose pieces. Rinse the reverse of the patch with cool water.
- [ ] Use one suitable laundry pretreatment according to its label.
- [ ] Wash as the garment and product instructions allow.
- [ ] Inspect the mark before heated drying. If unsure, air-dry to check.
- [ ] If color remains, reassess before another permitted treatment.

Product used / label contact time:

Date treated / washed:

AFTER WASHING

- [ ] No mark visible
- [ ] Color remains
- [ ] Needs advice

Keep the item out of the heated dryer while a stain remains. Do not mix cleaning products or improvise stronger solutions. Keep products and soaking water inaccessible to children and pets.
