- 7 minutes: choose one clear change to try.
- 3 minutes: agree where to record it and when to review.

Something worth keeping

ROOMMATE CLEANING REVIEW

Our one-change trial

Agree together before assigning a task or changing the plan.

For the next _____, we will try:

Who owns the next step? What does finished mean?

When will it happen? What supplies are already available?

Reminder / swap plan (accepted by everyone affected)

Review date and where we will keep this agreement

At the review: did it help, and was the effort workable?

☐ Keep ☐ Adjust ☐ Retire

The next step we agreed

Follow product labels and surface instructions. Never mix cleaners.
If a discussion feels unsafe, seek suitable support rather than forcing it.
